- Our students have gone on to leading universities (e.g., University of Sydney, University of New South Wales, Macquarie University, etc.) and successful careers in Australia and overseas

I am very pleased with the high standard of tuition I received at Australian International High School — without which I may not have made the grades to the University of Western Sydney.

CURRICULUM INFORMATION

Australian International High School is registered by the New South Wales Board of Studies to offer Years 11 and 12 to international and local students. We are also accredited to present candidates for the Higher School Certificate (HSC).

COURSE YEARS 11 & 12 (Combined 2-year Course)

PATHWAYS

Depending upon course completion and subject grades, students may go on to university or enrol in a VET (vocational education and training) Certificate, Diploma or Advanced Diploma course at an Academies Australasia College.

Students may also go to university after completing a VET course. The VET colleges in the Academies Australasia Group have pathway arrangements with many universities and institutions of higher learning.

RESOURCES AND FACILITIES

We offer modern facilities, including audio-visual equipment and internet access. Being in the centre of the Sydney CBD, we are very well served by public transport and are close to public libraries. The student lounge is well equipped (microwave ovens, vending machines, computers with (free) internet access).

WELFARE AND GUIDANCE SERVICES

Counselling services are available to assist students on education issues as well as matters concerning adjustment to life in Australia. It is School policy to assist students with special needs to ensure their comfort and convenience are optimised.

ACCOMMODATION, CARER ARRANGEMENTS AND AIRPORT PICK-UP

We can arrange accommodation in homestay (living with an Australian family), single residences or shared residences. Where required, we can also arrange carers for students under the age of 18 years, and for pick-up at the airport on their arrival.

HSC 2006

A number of our Australian International High School (AIHS) students were among the top students in the NSW Higher School Certificate (HSC) in 2006.

These students made the 2006 Distinguished Achievers List. It is an honour to make the list.
