A new career is exciting and whether you want to open your own business or work in an established salon, shop, spa or clinic — your journey begins here at the DFI Education QLD.

The Brisbane School of Hairdressing, Brisbane School of Beauty, Brisbane School of Barbering and Gold Coast School of Hairdressing have a proud and enviable history which culminates in over 37 years of educating Queensland, Australian and International creative industry specialists.

The hair and beauty industry is a thriving and expanding industry within Australia and the rewards for all successful graduates is not only financial but you are working in an industry that provides a high level of job satisfaction, creativity and the ability to make people smile and feel good.

With two campuses, one located in Brisbane and the second on the Gold Coast, coupled with the latest resources, high quality facilities, well-trained industry-current educators and effective management we have the systems in place to both challenge and support our students while unleashing your creative skills as a hairdresser, beautician or barber.

From our training salon, advanced salon and clinic we provide you, the student, with the knowledge and expertise, but most importantly we equip you with a ‘job ready’ skill set making you more employable upon graduation.

We offer our students a range of opportunities to participate in various community events, photo shoots, fashion parades and many other industry related activities and competitions which presents an ideal platform to learn, showcase your skills and build your portfolio and network.

With so much enthusiasm surrounding the hair and beauty industry DFI Education (QLD) is excited and willing to provide you the inspiration, comprehensive training and practical experiences that will establish your new career.

Our school has had many successes in a wide range of local, state and national competitions and will continue to do so through the hard work of our staff, students and our many industry partners.

Upon successful completion of our courses, our students are recognised and highly regarded within the industry and benefit from being associated with one of Queensland’s most respected private educators.

Lastly, deciding which school to attend is a big decision and we urge you to choose carefully. We invite you to visit our campuses and undertake a tour and talk to our staff and educators about the many opportunities that Brisbane School of Hairdressing, Brisbane School of Beauty, Brisbane School of Barbering and Gold Coast School of Hairdressing can afford you students.
