Course Fees

Course fees will vary depending on the course you are enrolled in and individual circumstances (e.g. credit transfer). Course fees are determined on how your course is delivered and its duration. Fees are generally for items such as tuition fees, course materials, text books, student services and other related training and assessment services.

For Government subsidised programs conducted in NSW, course fees are published on the NSW Smart and Skilled Prices, fees and subsidies list http://www.training.nsw.gov.au/smartandskilled/prices_fees.html

To ensure students are well informed of the financial considerations of their enrolment, Benchmark College provides fee information to each student prior to enrolment. If you have not received fee information, or if you have any questions in relation to fees and charges you are encouraged to contact the administration team for more information.

In general the following payment methods are accepted: Cheque, money order, direct deposit, credit card (VISA, MasterCard), EFTPOS, *EziDebit, *VET FEE-HELP is available to eligible students, for selected Diploma courses. *External fees & charges apply.

Course Cancellations/ Refunds

If you are considering withdrawing (due to various reasons), speak to your trainer or our Training Coordinator as they can help you find a way to put a plan in place to support and facilitate your completion of the course.

Should you require to cancel or withdraw from your training, whether you withdraw before or after commencement, you must advise Benchmark College in writing. For those enrolled in a Traineeship program you are also required to contact State Training Services.

A refund of all or part of the required fee or concession fee may be given to students in the following exceptional circumstances:

- Student has overpaid the advertised fee or concession fee.
- A course has been postponed or cancelled by the college.
- Student formally advises the college, at least 7 days before classes commence and with no attendance or participation, that they wish to withdraw from the course.
- If the student withdraws from a qualification but has completed all the requirements for a lower level qualification (which attracts a lower student fee), students will be refunded the difference in fees (providing the fees have been paid in full).
- College Management is of the opinion that the student would be unreasonably disadvantaged if a refund did not occur.

Full details regarding the refund of course fees are provided in Benchmark College’s Refund Policy & Procedure, which is available at http://www.benchmark.edu.au/files/content.php?sec=students&sec2=policies-and-procedures

We strongly encourage you to be aware of this policy before you decide to enrol.

Benchmark College is committed to ensuring that all eligible students have access to educational opportunities. We do this by identifying individual needs and, where appropriate, making reasonable adjustments to the learning and assessment environment. Examples of reasonable adjustment may include: large print, extra time, additional tutorial support etc.

If you have a special need we would encourage you to discuss this need with your Trainer or one of our administrative staff. You can advise us on your enrolment form or if you would like to discuss your needs with a staff member before you begin our program, you can call us directly on 1800 286 916. All discussions are treated in the strictest of confidence. Once we know what your needs are we can work with you to put in place a plan to help you complete your studies.

Assessment

Each qualification will offer a number of different assessment pathways that may be utilised depending on the individual. These pathways include the ‘Training and Assessment pathway’, ‘Blended pathway’ and ‘Recognition for Prior Learning pathway’ (more information under ‘Recognition’).

Assessment tools are used to gather evidence about a student’s competence. All developed assessment tools support the assessment of applicable units of competence in accordance with the requirements of industry Training Packages and fit with the requirements of the target industry and enterprise.

Work Placement

Depending on the qualification being undertaken, students may be required to attend work placement. Students, the host employer & Benchmark College complete a Work Based Practicum Agreement prior to work placement.

Students are expected to behave in a manner consistent with that of any employee at the workplace.

Students must not disclose any confidential information about business practices, personnel or clients of the host employer.

Whilst undertaking work placement, there may be materials that the learner needs to provide, depending upon the workplace.

If required, students can discuss any issues with the Workplace Supervisor or Benchmark College representative.

Learner Rights

If Benchmark College, or a third party delivering training and assessment on its behalf, closes or is not able to deliver any part of the qualification or course that the learner is enrolled in, the College will ensure that:

- students are transferred to another RTO with the least disruption to individuals concerned
- students are provided with an appropriate refund for service not provided
- students are issued with Certificates or transcripts based on completed units of competence.

Getting Advice

Benchmark College aims to ensure that all students are provided with the support needed to successfully complete their qualification. If you require help or just need to ask a question we would encourage you to talk with your trainer or Training Coordinator as soon as possible.

Problems or difficulties may occur from time to time. In such circumstances, you need to discuss the situation so that we can put suitable strategies in place.

Classroom Conduct

A mature attitude in respect to classroom conduct is expected of all students. Students are expected to be punctual for lessons.

Students are not allowed to bring unsealed food or drinks into any of the computer laboratories or any other classroom on College premises, or consume any food or drink in any such laboratory or classroom.

Whatever you do... If you have a problem:

- Don’t ‘pull out’ or ‘give up’ on your training, even if things are not going to plan. They can usually be fixed.
- Talk immediately to your trainer or the Training Coordinator.

Remember, your training can be the best start to a rewarding career. It will lead you in all sorts of new directions. So let us help you identify a solution!
Recognition

Recognition is a way that you can have your knowledge and skills assessed against a Nationally Recognised Qualification or specific Units of Competency.

During your life you may have;
* Gained extensive experience, knowledge and skills from previous job roles.
* Have undertaken community and volunteer work.
* Completed formal or informal training (in the work place, at University or at a Registered Training Organisation).

Benchmark College provides the opportunity for all students to apply to have prior learning and experience recognised toward a qualification or units of competence for which they are enrolled.

Credit Transfer

Credit transfer is the recognition of learning achieved through formal education and training. Credit transfer allows a student to be awarded a unit of competence based on successful completion of the unit which has been previously awarded.

Benchmark College recognises AQF qualifications and statements of attainment issued by any other Registered Training Organisation.

An application for credit transfer must include certified copies of certificates/transcripts which outline the units in which credit transfer is being sought. Applicants must also complete a Consent to Verify form available from [http://www.benchmark.edu.au/files/content.php?sec=students&sec2=forms](http://www.benchmark.edu.au/files/content.php?sec=students&sec2=forms)

Unique Student Identifier

From 1 January 2015, all students enrolling in Nationally Recognised Training must have a Unique Student Identifier (USI). This Australian Government initiative will allow an individual to see all of their training results from all providers including all completed training units and qualifications.

The USI will make it easier for students to find and collate their VET achievements into a single authenticated transcript. It will also ensure that students’ VET records are not lost.

A USI can be created online. Go to [http://www.usi.gov.au/Pages/default.aspx](http://www.usi.gov.au/Pages/default.aspx) for more information.

Consumer Protection

Benchmark College is committed to ensuring that it remains compliant with the relevant legislation and regulations that protect the rights of consumers as well as fair trade, competition and accurate information in the marketplace.

VET FEE-HELP

VET FEE-HELP is available to assist eligible students studying higher level vocational education and training (VET) qualifications to pay their tuition fees. Higher level VET qualifications are at the diploma level and above. VET FEE-HELP can be used to pay all or part of an eligible student’s tuition fees, but cannot be used for additional study costs such as accommodation or text books.

A two day cooling off period applies to VET FEE-HELP applicants. Learners are obliged to repay their VET FEE-HELP loan via the Australian taxation system until the student has repaid their whole debt.

For those students who are eligible for VET FEE-HELP and require further information on payments and refunds, please visit the following websites:

Withdrawal

There are occasions where students discontinue training. The reason for the withdrawal must be provided to the college in writing using the Refund Withdrawal Deferment Request Form available from [http://www.benchmark.edu.au/files/content.php?sec=students&sec2=forms](http://www.benchmark.edu.au/files/content.php?sec=students&sec2=forms)

Deferment

If, for some reason, training needs to be deferred, the College can assist you in this process.

Deferral is only permitted for a maximum period of twelve months from the date of notice and must be provided in writing.
