The Statement of Attainment lists all learning outcomes achieved and units successfully completed. Students will also receive a Record of Assessment and an ISLPR Record.
Access & Equity:

Language Links has adopted non-discriminatory principles and practices, which affords access and equity to training programmes and activities offered to prospective students, enrolled students and former students.

Staff shall promote the principle that access and equity, means ensuring that everyone has the opportunity to successfully gain skills, knowledge and experience through education and training.

Staff will be flexible in course delivery and assessment, and address the needs of all learners:
- cultural
- literacy & numeracy needs
- levels of ability/students with a disability

They also develop and deliver courses that are inclusive; consider adult learning styles; and implement systems and procedures to support different learner requirements.

Language Links has the right to enrol, teach or expel students according to the Policies and Procedures governing Language Links.

Assessments

Before commencing your course you will be given a Placement/Entrance Test as part of the course you are attending. You will be required to undergo an assessment at the end of each week/unit. These assessments form part of the process to attain competency. There are no excuses for absenteeism on assessment days except genuine illness supported by the presentation of a Medical Certificate or other such explanation acceptable to Language Links. The ability to undergo an assessment on a day other than that which was scheduled will be at the discretion of Language Links.

You may be given up to three opportunities to gain competency in a given unit/module. If still unsuccessful, you will need to repeat the entire unit at your cost.

Repeating a unit due to absenteeism:

Students who are repeatedly absent from class without due cause and subsequently fail to achieve competency in a unit will be able to repeat the unit at an additional cost and at a time convenient to Language Links.

Students who fail to achieve competency due to certified extenuating circumstances (i.e. illness supported by a Medical Certificate) would be allowed to repeat a unit at a time convenient to Language Links.
Transferring Classes:
All students wishing to transfer to a different class once their course has commenced should discuss their fees with the ADOS or Student Services. Students changing to a higher fee paying course will be required to pay any additional fees upon changing classes and any students changing to a lower fee paying course must follow the regulations of the REFUND POLICY, this will require giving the college four weeks notice in writing and 20% of the difference is also charged as a penalty. (Forms should be completed with the Student Services/Administration staff).

Recognition of prior learning/competence (RPL) / Course Credits:
Students may receive credits towards their course or Units of competency through:
- RPL (Recognition of Prior Learning)
- Mutual Recognition
- Skills Recognition

Note: This should be applied for at time of enrolment.

Language Links will accept nationally recognised Statements of Attainment/Qualifications issued by other Registered Training Organisations and Internationally recognised English Language Testing Scores and results – eg. IELTS, TOEIC, TOEFL and Cambridge ESOL.

Should you possess a Statement of Attainment/Qualification from an RTO mutual recognition will apply, if you have already demonstrated competency in those units or for those qualifications.

Procedure for Course Credits: (Through RPL or Mutual Recognition)
- Fill in an application form and present the form with certified documents to administration with your enrolment form.
- The Academic Co-ordinator/Manager will check the validity of the Nationally Recognised Statement of Attainment/Qualification and you will then be notified of the outcome of your application in writing.
Students may also apply for Skills Recognition or Credit Transfer through previously undertaken study, training, work experience or life experiences. The skills must be relevant to the particular course of study for award courses being undertaken at Language Links. Participants must initially provide evidence to support their application for Skills Recognition.

Possible outcomes:

a) You will receive an exemption based on: equivalent knowledge and competencies assessed by reference to the course outlines, or equivalent qualifications from a recognised educational institution.
b) You may sit a challenge/competency test for the unit or module requested.
c) Your application may not be successful based on insufficient evidence of prior learning. Note: you will be advised of this outcome in writing.
d) Following (a) and (b), your course fee may be adjusted accordingly. Following (c), you will be required to complete all relevant units / modules as set out in your course outline.

RPL additional information for Student Visa holders:

- Your application for Course Credits/Recognition MUST be presented prior to course commencement.
- RPL should be applied for prior to visa approval, so that the course duration may be adjusted accordingly.
- If RPL is applied for after the Student Visa is granted, and RPL/Course Credits lead to a shorter course duration than stated on your eCOE, you may choose to enrol in another full-time, CRICOS registered course or will need to depart Australia within 28 days after course completion as the institution is required to notify the immigration department regarding early completions.

In the event of the Australian Embassy refusing to issue you with a Student Visa, you will be entitled to a full refund of Course fees, less the Enrolment fee. In all other cases, refunds will only be granted under exceptional circumstances, at the discretion of the college and as per the REFUND POLICY stated on page 20.

Activity Programme: Language Links organizes weekly activities such as ten pin bowling, BBQs in the park, whale watching, horse riding, sports days, movies, beach volleyball and much more, every Friday afternoon. We also organise evening outings such as dinners, dancing and karaoke evenings and weekend trips away such as Rottnest Island and Margaret River. It is a great idea to try to attend as many activities as possible as it is a good opportunity to socialise with the other students and staff. Students should set aside a minimum of $10 - $20 for the weekly activity. These activities are not compulsory and you may wish to attend some activities and not others. You may also do self-study at the college instead. Please feel free to suggest any activity or outing that you think you, or other students may enjoy, as we always like to hear your suggestions!

Assessment: Students are assessed at the end of each week / unit. Failure to sit those assessment tasks will affect a student’s ability to obtain a qualification or graduate.

(For more information, see: ‘Steps toward a Language Links qualification’ in this handbook).

Attendance: All students must attend a minimum of 80% of their course in order to meet the requirements of the Department of Immigration and Language Links.

Students with unacceptable attendance will be given a verbal warning followed by written warnings. The college will then contact the immigration department when your attendance can no longer meet the 80% requirement and your visa may be cancelled. (See Section: ‘Immigration Regulations’ in this handbook for more details.)

Students should be punctual as a matter of courtesy because arriving late to your class can be disruptive. Students who arrive 20 minutes late will be marked absent for that session and can only enter the class with the teacher’s approval.

Absenteeism: If you are sick and or absent from school, you are required to obtain a certificate from your doctor. You should also call the college and inform your teacher of your absence from class.

Banking: Student Services will help you to open a bank account - you will need your passport and another form of identification. You can find all of the major banks and Automatic Teller Machines (ATMs) in the city centre, and some ATMs are located in Northbridge.

NOTE: If you need to pay Tuition Fees, Exam Fees or any Course Materials, and do not have access to cash, these fees may be paid by Credit Card at Language Links (Visa and Mastercard are accepted with a 2% surcharge). Visa and Mastercard Debit cards do not incur the surcharge.

Books: For exam-based classes, your textbook will be included as part of your course fee. For General English classes, you will be provided with a ‘class set’ book to use during your course. If you wish to keep your class textbook, you may purchase the book from Student Services ($60 fee).

Common Room Facilities: A coffee/snack machine is provided for your convenience in the main Common Room. Microwave ovens and a fridge are also supplied for you to use. Please keep these items clean and make sure that any food you have not eaten during the week is taken home or thrown away. The fridge is cleaned out each Friday.

This is your area to relax - before, during and after school. Please try and keep it clean and tidy. TV’s and DVD’s located in Common Area’s are also there for students to use. Please switch off after use.

Please remember that the Common Rooms are provided so you have rooms where you can eat your meals, please do not eat in the classrooms.
Computer Room: FREE ADSL internet / email facilities are available for our Day students from 8:30am until 4.30pm Monday to Friday and 3.30pm until 7.30pm for Evening students. However, you will need to share this computer time with other students! You can also use the computers to type assignments or do your homework.

Wireless internet access is also available throughout the college, you may request the password at Reception.

- Please do not use your own disks, as they may contain a virus, which could affect the whole system.
- Please DO NOT DOWNLOAD VIDEO CLIPS OR OTHER BIG FILES, as they use up the download allowance and this means computer time will be limited for everyone!

Problems: If you have any problems or concerns please talk to your teacher or student services. If you think that your class is too easy or too difficult, talk to your teacher and if you need further assistance you can make an appointment to see the Assistant Director or Studies (ADOS).

Homestay: You need to be happy in your Homestay! Sometimes it takes a couple of weeks to get to know your new family and the rules of the house but after that you should feel comfortable and relaxed. Your Homestay family should talk to you regularly; invite you to join in their activities; and generally make you feel like you are part of their family. You should have your own room with a bed, a desk and good lighting and you should have enough food to eat.

Homestay families are carefully selected. The families are interviewed and their homes are inspected. We make sure you are genuinely welcome in their homes. If you have a Homestay problem please talk to Student Services. If you wish to change or cancel your homestay, two weeks notice - writing, is required, please see the ‘REFUND POLICY’ section of this handbook for more details.

Nightlife and Personal Safety: Perth has many great places for entertainment. We have numerous bars, cinemas, pubs, café and restaurants for those who wish to enjoy the nightlife. Perth is generally a safe city but we always remind students to be aware of their surroundings and never go home alone, late at night. Never leave bags unattended and try not to carry too much money with you. Contact the Police on 000 if you feel you are ever in any danger.

Personal Items: Language Links does not accept responsibility for personal property. Students are advised not to bring valuables to school and to make other security arrangements. Do not leave bags unattended.

Language Links reserves the right to dismiss students if it is suspected they are under the influence of such substances. Telephones: There are several public telephones on the street close to Language Links where you can use Phone Cards or coins. Phone cards can be purchased at the newsagencies, some delicatessens and some postal agencies. Local phone calls are 50c. In the case of an emergency, please ask to use the office phones.

Mobile phones may be brought to school, but please be courteous and switch your phones off or to silent mode when in the classroom.

Transport: Language Links is only a 5 minute walk to the centre of Perth City or Northbridge. Buses travelling WITHIN the city area are FREE! The CAT buses are also FREE! The ‘Blue Cat’ stop is opposite Language Links (in front of the Museum) and travels around Northbridge & the City. The ‘Red Cat’ travels around the City area between East and West Perth.

‘Smartrider’ is the new Transperth electronic ticketing system. As a student you can have special fare price on the bus, train or ferry service when using a Smartrider card. This card can be purchased at the Perth train station Info Centre. Please ask reception for a Smartrider form. When travelling on buses or trains, make sure you always carry your Language Links Student Card with your Smartrider because the bus/train driver may ask to see it. Inspectors also do random inspections on buses or trains. If you don’t present your ‘student card’ and your valid ticket, they will fine you a minimum of $50.
