TRAVEL & TOURISM

The Travel & Tourism industry continues to rapidly expand in Australia and across the globe. It is an exciting industry to work in with a wide range of sectors such as Travel Agencies, Airlines, State and Regional Government Tourism Bureaus, Eco-tourism and tourism attractions.

People skills – communication, customer service, teamwork and excellent personal presentation – are an essential part of working in the industry. You also need to be able to work well under pressure and to be highly organised. Our courses cover these skills plus many more and on completion you will be well placed on the pathway to a challenging and enjoyable career.

COURSE INFORMATION

Our Travel & Tourism courses have been developed according to the requirements of the Tourism, Travel and Hospitality Training Package (SIT) and have been approved for delivery by the Australian Skills Quality Authority (ASQA). They are nationally recognised qualifications within the Australian Qualifications Framework (AQF).

STUDY PATH

Training is delivered in stages which correspond to AQF Levels IV - VI. The preferred pathway for senior secondary students is for students to complete the requirements of the previous level qualification before progressing to the next level - thereby achieving more than one qualification.

APPLICATIONS WITHOUT THE PREVIOUS LEVEL QUALIFICATION

Applicants without the previous level qualification will be considered if they have relevant qualification and/or vocational experience.

We aim to equip our graduates with the necessary skills and knowledge to enable them to successfully satisfy the demands of the workplace.

COURSE DELIVERY & ASSESSMENT METHODS

Delivery and assessment strategies are selected to reflect the nature of the elements and performance criteria of the competency together with the needs and learning style of the participants. Qualifications are delivered over 15 hours of face-to-face and 5 hours of online learning per week.

Assessment methodology may include but is not limited to: observation, project/report, case study, role play, exercises, activities; and written/oral tasks including multiple choice, question and answer, essays, true/false and presentations.

ACADEMIC YEAR / START DATES

Don’t miss out on your intake dates. There are 36 teaching weeks per annum with the year being divided into 4 terms of 9 weeks each. The academic year begins in late January and ends late November. Primary intakes are the beginning of each term.
